

NON-ALLOWABLES

Before your possessions are packed and loaded, it is important that you understand which items cannot be shipped because they represent a hazard or are perishable. Listed below are some common non-allowable items that you will need to address prior to your pack and load dates:

Hazardous Materials - items that are flammable, corrosive or explosive.

Examples include:

- Aerosols
- Ammonia
- Ammunition
- Car Batteries
- Charcoal
- Charcoal Lighter Fluid
- Chemistry Sets
- Cleaning Solvents
- Fertilizer
- Fireworks
- Gasoline
- Household Batteries
- Kerosene
- Lamp Oil
- Liquid Bleach
- Loaded Guns
- Matches
- Motor Oil
- Nail Polish
- Nail Polish Remover
- Paint Thinner
- Paints
- Pesticides
- Poisons
- Pool Chemicals
- Propane Tanks
- Sterno
- Weed Killer

Perishables - food, plants or living things that may die or spoil in transit*

Examples include:

- Frozen Food
- Open or Half-Used Foods
- Plants
- Produce
- Refrigerated Foods

**For shipments moving less than 150 miles and delivered within 24 hours of pickup, carriers may agree to transport perishables that are properly packed and require no servicing in transit.*

Note: You should empty your refrigerators and freezers and keep appliance doors open for at least 24 hours in advance of loading. This will allow the appliance to dry out and prevent the growth of mold.
